Introduction

As the population continues to age, we are all seeing a tidal wave of older persons in our hospitals, clinics and nursing homes. Moreover, the fastest growing segment of the population comprises individuals above the age of 85 years. The purpose of our conference is to provide an evidence based approach to help clinicians take exceptional care of these often frail individuals.

Highlights

Our speakers for the conference have been hand-picked by a multidisciplinary committee of clinicians from academics, practice, and the payer community and were based on two criteria: Speakers expertise – which in most cases in nationally-recognized and often responsible for the advances relative to practice, and (2) their ability to convey it in a practical, succinct, and entertaining way that will allow attendees to incorporate lessons learned into their practice.

▲ Offered in conjunction with Sharon Inouye and Fred Rubin’s course on delirium and allowing for some overlap.
▲ Evidence-based evaluation and treatment of common clinical problems seen in the office, hospital and long term care.
▲ Symposium on common neurodegenerative diseases including Parkinson’s disease and Alzheimer’s.
▲ Symposium covering the latest updates for common cardiovascular conditions, including hypertension and acute MI in the elderly.
▲ Keynote talk on frailty by a national expert.
▲ Practical, case based solutions to difficult end of life issues.
▲ Multiple breakout sessions including, among others, Prognostication in Chronic Disease, Decision Making Capacity, Using Antipsychotics in Long Term Care, and Foot problems.
▲ “Ask The Expert” sessions, allowing participants to get answers to their most vexing questions. This year’s sessions focus on Infectious Disease, Cardiology and Psychiatry.
▲ A special dinner talk regarding the past, present and future of geriatrics by William Applegate, MD, MPH, MACP, one of America’s foremost experts. Dr. Applegate is the former President of the American College of Physicians, dean and head of the health system at Wake Forest, editor of the Journal of the AGS (JAGS), and primary investigator for the seminal SHEP study of systolic hypertension and, most recently, the landmark SPRINT trial.
Learning Objectives
At the end of this course, participants should be able to:
▲ Provide evidence-based updates for common geriatric disorders including dementia, delirium, Parkinson’s disease, osteoporosis, and stroke.
▲ Update their knowledge in pulmonary hypertension, acute coronary syndrome, and hypertension in the elderly.
▲ Improve their knowledge in the evaluation and management of patients with pressure ulcers, hip fractures, PVD, and sleep disorders.
▲ Learn strategies to improve their communication in patients with difficult family issues, and at end of life.

Who Should Attend
This course is designed for family practitioners, internists, geriatricians, and other health care professionals who provide care to older adults. Previous attendees will also be interested because of the conference’s continually changing topics, speakers and approach.

Continuing Education Credit
Types of credit: CME, AAFP, Nursing, Risk, and ACPE

CME – This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACME) through the joint providership of University of Pittsburgh School of Medicine and the Pennsylvania Geriatrics Society – Western Division. The University of Pittsburgh School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of 20.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. (The 20.25 includes the 1 hour dinner symposium.)

AAFP – Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Nursing – The University of Pittsburgh School of Medicine’s Center for Continuing Education in the Health Sciences and School of Nursing are collaborating in the development of this educational activity. Nurse participants successfully completing this learning activity (attending the full session, completing and submitting a program evaluation and a CE verification form) may receive up to a maximum of 18.3 contact hours.

The University of Pittsburgh School of Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

Social Work Credits – This program is offered for 20 hours of Social Work continuing education through co-sponsorship of the University of Pittsburgh School of Social Work, a Council of Social Work Education accredited school and, therefore, a Pennsylvania pre-approved provider of social work continuing education. These credit hours satisfy the requirements for LSW/LCSW, LPC and LMFT biennial license renewal. For more information on social work continuing education call (412) 624-3711.

The maximum amount of continuing education credit that can be granted for this program is 20.25 contact hours. Participants must complete the course outcomes assessment, evaluation and credit designation form to receive credit. Continuing Pharmacy Education (CPE) credits will be uploaded using the participant’s National Association of Boards of Pharmacy (NABP) eMonitor number. (The 20.25 includes the 1 hour dinner symposium.)

Registration Information

Pre-register – All pre-registrations are due by March 31, 2017. Registrations after this date are accepted only as on-site registrations. Registering online is the quickest and easiest way to reserve your space at CCEHS conferences.

- Visit our online registration site at https://ccehs.upmc.com
- Scroll to the Clinical Update in Geriatric Medicine section on the web page
- Click the Registration button and enter all the requested information
- After registering, an electronic confirmation will be sent to the email address you provided us when you registered.

Early registrations are those postmarked by March 1, 2017. Late registrations will be accepted at an additional fee and we cannot guarantee space in the program or any program inclusions for those registrations we receive after this date.

On-site Registrations – As of March 31, 2017, all registrations for this course are accepted only as on-site registrations. On-site registrants will pay $25 more than the late registration fee. A confirmation letter will be faxed, mailed, or emailed if registration is completed through the mail, fax, or email by the registration deadline. If you register online, you will receive an immediate e-mail confirmation message. Please note: Registration is not complete until you receive this confirmation. If you do not receive this letter within 5-7 days of registration, please contact us at (412) 647-7050.

You must bring this confirmation with you to the conference.

Cancellation – All cancellations must be in writing, via U.S. mail, e-mail or fax. Tuition for cancellations postmarked or date stamped before March 27, 2017 will be completely refunded. After March 27, 2017 a $35 administrative fee will be assessed. No refunds will be made after April 3, 2017. Cancellation requests can be made to:

Center for Continuing Education in the Health Sciences
Iroquois Building, Suite 302
